ANNUAL REPORT
OF THE
ELECTION DEPARTMENT
FOR THE YEAR 1915.

BOSTON, February 23, 1916.

HON. JAMES M. CURLEY,
Mayor of the City of Boston:

SIR,— In compliance with section 24 of chapter 3 of the Revised Ordinances, the Board of Election Commissioners respectfully submits its annual report.

NUMBER OF VOTERS.

At the city election held December 15, 1914, the number of male voters on the list was 111,533. The number of such voters on the first list published by the Board, August 1, 1915, was 101,178. From that time to the close of registration for the city election there were added the names of 13,391 male voters. The number of male voters on the final list sent to the polls on the day of the city election held December 14, 1915, was 114,569, an increase of 3,036 over the number on the list at the preceding city election.

There were 9,413 female voters registered for the city election held December 15, 1914. There were 11,043 female voters registered for the city election held December 14, 1915, an increase of 1,630.

WARD REDIVISION.

In accordance with the provisions of chapter 676 of the Acts of 1914 the City Council redivided the city into twenty-six wards, each of which contains the following population, number of legal voters* and number of registered voters:

*A legal voter is a citizen who has all the qualifications of a voter, whether registered or not.

NEW PRECINCTS.

In accordance with an order of the City Council
 "That the Board of Election Commissioners be hereby
 requested to prepare and submit to the City Council a

NEW MAPS.

In accordance with an order of the City Council the City Auditor was authorized to transfer from the Reserve Fund the sum of \$5,000 as a special appropriation to be expended by the Election Commissioners for the preparing, printing and posting of precinct and ward maps and for the purchase of 250 wall maps showing the new ward lines. The contract for the furnishing of the wall maps was awarded to the lowest bidder at the price of \$900.

The Election Commissioners also had prepared 200 copies of maps of each of the new precincts and 1,000 copies of ward maps in the form of atlases. After a conference with the Mayor it was determined to have this work done by the city agencies. The preparation of the copy for such precinct and ward maps was made by the Street Laying-Out Department and the printing of the same was performed by the Printing Department. By this method the City of Boston secured accurate maps which are exclusively the property of the city and not dependent in any way upon the copyright of private persons or corporations. By this way of doing the work a substantial saving was accomplished.

RECOMMENDATIONS.

The law which allows the submitting to voters questions of public policy provides that the signers of applications shall append to their signatures their residence, with street and number, if any, and such applications shall be submitted to the Election Commissioners and the signers shall be certified as registered voters, but it does not provide when such applications shall be submitted. We recommend that such application shall be submitted on or before five o'clock in the afternoon of the Wednesday preceding the day on which it must be filed.

Section 199 of chapter 835 of the Acts of 1913 provides that "independent" nomination papers shall, before being filed, be seasonably submitted to the Election Commissioners for certification. The word "seasonably" is capable of an elastic construction, and as a matter of practice nomination papers are frequently submitted for certification a few hours only before the time of being filed. It would be better, in our opinion, to have a time fixed for submitting such papers, and we

accordingly recommend that "independent" nomination papers be submitted for certification on or before five o'clock in the afternoon of the second week day preceding the day on which they must be filed.

Section 52 of chapter 835 of the Acts of 1913 provides that complaints for illegal registration shall be made in a city fourteen days at least preceding an election, but no time is fixed for closing the filing of complaints preceding a primary. As a primary is now conducted generally in accordance with the laws providing for an election, and because it is just as important to determine the legality of the voting list preceding a primary as it is preceding an election, we are of opinion that the last time for filing complaints of illegal registration preceding a primary should correspond with that preceding an election. Moreover, if complaints are allowed to be filed up to the last hour of holding a primary, it is manifestly impossible for the Election Commissioners to hear such complaints and render a decision. We accordingly recommend that this section be amended by providing that complaints of illegal registration preceding a primary shall be filed not later than fourteen days preceding a primary.

REVISION OF THE VOTING LIST.

The names of 864 voters were stricken from the voting list by reason of death, removal from the city and other causes. Of this number, two were removed by reason of complaints of illegal registration.

COMPLAINTS OF ILLEGAL REGISTRATION.

There were filed 34 complaints of illegal registration, 19 of which were withdrawn after filing. Hearings were held on 15 complaints, and in 2 cases the names of the registered voters were stricken from the voting list, in 4 cases transferred to another ward, in 8 cases were dismissed, and in one case the voter complained of died during the hearing.

JURORS.

The jury list prepared by the Board in 1915 contained the names of 8,628 voters of Boston. During the time covered by this report 3,064 persons were drawn for jury service.

One of the most important duties imposed upon the Election Commissioners is the preparation of the jury list. The necessity of extreme care in selecting this

list is imperative. The sole purpose of the Election Commissioners in this work is the formation of a list of men free from bias, prejudice and physical disability which might hamper their service as jurors. It is equally important that they be men of good character and judgment and with records in the community not tainted by crime. It is the aim of the Election Commissioners to make such a selection as will thoroughly represent in its diversified character the various representative elements among the voters of Boston, a selection embracing various occupations and fairly distributed among the several wards of the city. A tentative list is first prepared, the names on which are submitted to the Police Commissioner for an investigation for the purpose of excluding therefrom all persons who have been convicted of crime, who are not physically capable of serving as jurors, or whose general reputation as to character and judgment is such as not to fit them for jury service. Such an investigation made by the police under the direction of the Police Commissioner aids the Election Commissioners materially in excluding from this list unfit persons.

Although the law does not specifically provide that the Election Commissioners shall make any further investigation, we have found it of great assistance in the formation of this list to consult the records at the various courthouses of the city. It is possible, of course, that a police officer may not know the criminal record of the prospective jurymen whom he is investigating, but the danger of such a person getting on the jury list is practically prevented by this supplementary investigation. The knowledge gained from an examination of these records, together with the additional information that is furnished at the same time by the probation officers of the various courts, is of great assistance to the Election Commissioners in the preparation of an honest jury list.

POLLING PLACES.

The city contains 225 polling places, of which 105 are located in schoolhouses, 11 in public buildings, 4 in hired rooms, 52 in voting booths located on lots of land and 53 in voting booths which we locate on the public highways.

MEMBERSHIP OF THE BOARD.

Hon. David B. Shaw having resigned to take up the duties of Penal Institutions Commissioner, Mr. William P. O'Brien was appointed his successor for the unexpired term ending March 31, 1916, and was approved by the Civil Service Commission. He assumed the duties of his office on June 9, 1915. After serving a little less than four months, Mr. O'Brien died on October 5, 1915. Hon. John B. Martin was appointed his successor for the unexpired term ending March 31, 1916, and was approved by the Civil Service Commission. He assumed the duties of his office on November 2, 1915.

John M. Minton, Esq., was designated by the Mayor as chairman of the Board of Election Commissioners and member of the Listing Board.

The following memorial upon the death of Mr. William P. O'Brien was adopted by the surviving members of this Board, October 7, 1915, and spread upon the records of the department:

Whereas, Mr. William P. O'Brien, late member of the Board of Election Commissioners, died at his home in Boston on the fifth day of October, 1915, in the fifty-fourth year of his age, having served from June 9, 1915, to the time of his death, the surviving members of this Board do now put on record the following memorial to their late associate:

Prior to his appointment as Election Commissioner he was engaged in business with one firm in Boston for a period of thirty-five years, and in this service he displayed ability and integrity.

In public life he was an efficient member of the City Council of Boston, and also served with distinction as a member of the House of Representatives of Massachusetts.

Though his services as Election Commissioner were unfortunately cut short by his untimely death, the sterling traits of his character were firmly impressed upon us; the even balance of his temperament, his fairness, his conscientiousness and his keen sense of right and wrong were clearly manifested by all his acts.

EXPENSES OF THE DEPARTMENT.

The expenses of the Election Department for the year ending January 31, 1916, amounted to \$134,008.65.

PROPERTY OF THE DEPARTMENT.

A schedule of the property of the department will be found on the last page.

Respectfully submitted,
